

PUBLIC SERVICE ANNOUNCEMENT

FOR IMMEDIATE RELEASE – Friday, August 27, 2010

SRC Hosting Project CLEANS Public Meeting in Uranium City

(Saskatoon) - The Saskatchewan Research Council (SRC) is holding a public meeting on Wednesday, September 1, 2010 in Uranium City, SK at the Ben McIntyre School. SRC, AECOM and Prince Albert Grand Council (PAGC) representatives are scheduled to present project updates and will be on hand to answer questions. The meeting will cover topics such as the Canadian Nuclear Safety Commission (CNSC) order, satellite sites, Environmental Assessment (EA) options and the Traditional Knowledge (TK) study.

SRC invites the public to attend and participate in the presentations.

ABOUT:

SRC is Saskatchewan’s leading provider of applied research and development and technology commercialization.

Project CLEANS is an initiative led by SRC and the Government of Saskatchewan to clean up Gunnar, Lorado and 36 satellite sites in northern Saskatchewan. SRC is the project manager for CLEANS and site safety is a main priority for SRC in this cleanup project.

Additional information about Project CLEANS is available at: www.saskcleans.ca.
